

LIGHT THE FUTURE!

Scarsdale-Wide Fundraising Campaign for Permanent Lights on Butler Field

Please help the *Light The Future!* committee raise funds for field lights on Butler Field, a central destination for youth and high school sports as well as a fitness source for the community.

Why permanent lights?

- Extended hours for fitness activity at the track
- Maximum practice opportunities for school and youth sports
- Community-building night games = fun, family events
- Allow our teams to have the home field advantage they deserve during fall playoffs
- Field access when grass fields are closed
- Comparable facilities to surrounding towns and schools
- Environmentally friendly as compared with current diesel-powered portable lights

How you can help!

- **Donations!** All amounts are appreciated and helpful! All donors will be recognized on the M&W website and in the Scarsdale Inquirer.
- **Pavers!** Buy your own space on the *Walk of Lights*:
 - **\$1K+ - \$4.99K** - receive a 4" x 8" personalized engraved maroon brick.
